

LONES TRAVEL SERVICE WILL PLAN YOUR TRAVELS

Get to know J. W. (Shotgun) Henry. He's president of Lones Travel Inc., 212 West 4th.

Shotgun has been with Lones 10 years — long enough to watch the company grow.

Lones Travel can take care of all your business and vacation travel plans, as well as offering you personal, expert service at no cost.

Shotgun, and his expert staff at Lones, are there to make all your travel plans run smoothly and advantageously.

Shotgun, who has been in Odessa since 1959, cares about Odessans. He's active in civic affairs from the Chamber of Commerce and the Permian Playhouse to the Globe Theatre, the Chuck Wagon Gang and St. Johns Episcopal Church.

He also is president of the D.K.T. Inc. — the local Coors distributor, vice president of the Wholesale Beer Distributors of Texas, Texas President of Coors Distributors Association and serves on the board of directors for the National Bank of Odessa.

In June, Shotgun was presented an outstanding achievement award by the Odessa Jaycees and the

recycling program.

In the community interest, Shotgun also furnishes charitable and civic organizations with the use of the Community Room at his new Coors Service Center, on Hwy. 80, at no charge.

Of course, Shotgun has other interests, too. His favorite hobbies are hunting and fishing, and naturally, he travels to his favorite spots via Lones Travel Service.

You, too, might try Lones Travel when you're looking for the best hunting and fishing spots. Lones also specializes in all types of travel plans throughout the world and the U.S., as well as helping you with your business travel plans.

Lones will arrange your air travel plans anywhere — all you have to do is pick up the phone and make your reservations. Your tickets will be ready for pick-up at the airport, office or Lones' drive-in window. Lones will also take care of your hotel reservations or car rentals.

To make traveling even more convenient, Lones issues American Express checks.
